

Mountain Sun Stout Month 2012 Homebrew Competition

(Sorry, professionally experienced brewers excluded)

The Mt Sun Brew Team is getting ready for Stout Month 2012. We are calling on you, the local homebrewers, to come up with a brand new recipe to help us pay homage to this diverse and classic style! The winning brewer will have the opportunity to join a Mountain Sun Brewer and whip up a six-barrel batch of his or her brew on the Mountain Sun system. This beer will accompany our line up of original and guest beers during February's Stout Month 2012. The winning brewer will also receive a fifty-dollar Stout Month bar tab.

Rules:

- 1) The beer must be a Stout
- 2) Please keep the beer at 8% alcohol or under, as we already have a large selection of imperials.
- 3) All entries must be delivered to the **Southern Sun Pub** on Sunday December 18th from 11:00 AM-3:00 PM. **We will not accept entries delivered to our other locations!**
- 4) For each entry, the equivalent of three 12oz bottles are required. **Each bottle should be clearly marked and each entry must include a Stout Month 2012 entry form*.**
- 5) Participants must have no professional brewing experience.
- 6) In the interest of fairness, we will not be able to honor requests to use our house yeast.
- 7) All winning recipes will be considered Mt Sun recipes, and may or may not be brewed at Mt Sun and/or Southern Sun any time in the future.
- 8) Please put all entries in a holder (six pack holder). A plastic bag or loose bottles with a rubber band are not acceptable. We want your beer to make it to the judging!
